Your donation is being sent to Network for Good, a nonprofit, tax-exempt organization that holds donor advised funds (tax ID 68-0480736), and that receives certain donations made through Facebook's fundraising programs and distributes them to your recommended charity. All donations are final and may not be refunded. As required by the Internal Revenue Service ("IRS"), Network for Good has exclusive legal control over the donation. In the rare event that a charity you have recommended does not satisfy Network for Good's criteria for receiving donations (e.g., it has been classified by the IRS as a disqualified supporting organization, it cannot or does not accept donations, is not recognized by the IRS as a public charity, or is not in good standing with federal and state regulators), or if the nonprofit returns its donation to Network for Good for any reason, Network for Good may at its sole discretion select an alternate charity to receive the donation or have the donation allocated to the Generosity Fund maintained by Network for Good (the "Generosity Fund") and used solely for charitable purposes including, but not limited to, mission based activities and grants. Your contribution to Network for Good is tax-deductible to the extent allowed by law. You may save or print this receipt for your records. This email certifies that you have made this donation as a charitable contribution and that Network for Good does not provide goods or services in whole or partial consideration for any contributions made to Network for Good. Details of your donation are listed in the Donation Record below.

You may print this receipt for your records. This receipt confirms that you have made this donation as a charitable contribution and you are not receiving any goods or services in return. As the tax laws vary by state and by country, please consult a tax professional regarding the deductibility of this donation.
